

# International Microwave Power Institute

## Membership Application

### \_\_\_ Professional Membership: \$160

Professional Membership includes one subscription to the Journal of Microwave Power and Electromagnetic Energy for one year (a \$250 value), a subscription to the IMPI e-newsletters, directory listing, online account, and discounts to all IMPI hosted meetings (including Annual Symposium, Short Courses and Professional Development Courses).

### \_\_\_ Student Membership: \$125

Student Membership includes all of the benefits of Professional Membership as described above. IMPI is proud to support students in the electromagnetic energy and food science fields, and as such, a discount is applied, provided that the student provide verification of full-time enrollment.

### \_\_\_ Corporate Membership: \$1,500

Corporate members receive five, flexible (interchangeable within the company) IMPI Professional Memberships (described above), including five subscriptions to the Journal of Microwave Power and Electromagnetic Energy and IMPI e-Newsletters, as well as up to five IMPI online accounts for the corporation's employees. In addition, corporate members receive:

- One copy of the annual consumer survey (a value of \$1,500)
- The opportunity to participate in the annual survey committee
- Discounts on company advertisements in IMPI publications and brochures
- Press release priority status in IMPI online publications
- Membership discounts to any IMPI meeting for ANY employee of the company
- One complimentary 8'x10' booth at the annual Symposium
